SPIKE TV (DIGITAL) - (A national television company.)

Superior: Scott Petts (212-767-3962)

www.Spike.com

Santa Monica, California

Date: August 2010 – March 2011

Title: Designer

Duties: Not only did I have a hand in creating all of the graphics imagery for Spike.com, GameTrailers.com and many of the other sites over-seen by Spike, but I also created logos & identities for shows & events.

FilmTrack - (A software development company that produces content/rights management software, websites and applications for the film and television industry.)

Superior: Jason Kassin (818-766-2607)

www.FilmTrack.net

Studio City, California

Date: June 2007 – June 2010

Title: Web Designer

Duties: Design websites for clients and build the basic framework of the sites to be passed on to an engineer/developer.

Digital Agency Group - (A small media company that produces graphics, web design, and promotion for a multitude of companies)

Superior: Tom Deluca (310-567-1147)

Los Angeles, California

Date: February 2006 – June 2007

Title: Head Designer

Duties: Design and oversee the production of websites and media content.

M&M Printing - (A privately owned print shop in the LAX area that does printing, design, and production for most of the hotels, travel and touring companies, and small and large businesses not only in the area, but also all over the country)

Superior: Michael Cross (310-417-3875)

Los Angeles, California

Date: August 2004 – February 2006

Title: Graphic Designer/Pre-Press

Duties: Handling the design, creating and preparing files for print.
